

Interested in Implementation Science?

Join the
**Implementation
Science Journal Club!**

The Implementation Core within the Center for Chronic Disease Outcomes Research (CCDOR) at the Minneapolis VA would like to invite you to join our Implementation Science Journal Club. Each meeting focuses on an article relevant to implementation science = methodology, protocols and outcomes of implementation studies.

WHEN: 4th Tuesday of each month at 2:00 pm CST

WHY:

This is your opportunity to keep up with the implementation science literature and discuss this evolving field with experienced implementation scientists!

HOW:

Anyone interested is welcome to call into our discussions via Skype for Business (inside the VA) or telephone (inside or outside the VA)

Contact kristen.ullman@va.gov
